## ABOUT ME

I am a producer and creative and have been a practising musician since I was 6. I can compose, play and polish pieces of music and have a good ear for high quality sound.

## SKILLS

14 years of piano playing experience  
8 years of experience playing drums  
Extensive knowledge of Mac and Windows OS  
Detailed music theory knowledge  
Perfect Pitch  
Good understanding of analog and digital synthesis and sound design

## EDUCATION

### SAE Institute London

September 2021-Present  
Bachelor's Degree in Audio Production with Honours

### Caterham School

September 2013-August 2018  
Mathematics A Level - A  
Government and Politics A Level - B  
Physics A Level - A

## DETAILS

I have completed up to grade 6 in piano and drums as well as grade 5 music theory (completed by 14). I have continued to self teach piano and music theory as well as composition after moving to secondary school at 13. I have experience working with plugin synthesisers like Massive and Monark as well as the Nord Synth engine on my Stage 3. I have been using Windows computers since primary school and have been using a Macbook and PC since 2017.
